Celebrating 45 Years of the Marine Mammal Protection Act

Save the Date
November 15, 2017
6 to 8 p.m.

Room 2045
Rayburn House Office Building

Space is limited.
Please RSVP to RSVPs@Oceana.org.

Special guests to be announced soon.

For 45 years, the Marine Mammal Protection Act (MMPA) has provided vital protections for marine mammals, including dolphins, whales and seals. Join us for a special reception to learn more about the MMPA, how it protects these iconic animals and why we must defend it against attacks.
