

RESOLUTION NO. 2020-02

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF JUPITER INLET COLONY, FLORIDA, EXPRESSING OPPOSITION TO OFFSHORE DRILLING ACTIVITIES, INCLUDING SEISMIC AIRGUN BLASTING; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

WHEREAS, the United States government has expressed interest in opening the waters of the Atlantic Ocean and Eastern Gulf of Mexico to offshore oil and gas development and exploration, including risky methods such as seismic airgun blasting; and

WHEREAS, seismic airguns fire intense blasts of compressed air, one of the loudest manmade sounds in the ocean, every 10-12 seconds for days, weeks or months on end; and

WHEREAS, seismic airgun noise has been shown to harm and injure dolphins, whales, endangered sea turtles, fish and other marine life; and

WHEREAS, exploratory and commercial drilling, extraction, and transportation of offshore oil and gas resources pose a significant risk of oil spills and chronic leakage; and

WHEREAS, eventual offshore drilling may require significant onshore infrastructure, such as pipelines or refineries, which would alter and harm the character of the coast; and

WHEREAS, offshore drilling activities pose threats to treasured vacation destinations on Florida's Coasts, which are of intrinsic economic value for numerous industries, provide essential nursery habitats for recreational and commercially important fisheries, and act as natural buffers from storm surge and hurricanes; and

WHEREAS, the Town of Jupiter Inlet Colony recognizes that the tourism and fishing industries, which depend on a healthy and vibrant coastal environment, both serve as major economic drivers benefiting the current and future residents, property owners, and visitors to Florida; and

WHEREAS, the Town of Jupiter Inlet Colony endeavors to be a good steward of the State and region's environment and its resources; and

WHEREAS, the exploration and development of oil and gas resources off the coast of Florida will not effectively address the long-term energy needs of our country; and

WHEREAS, the Town of Jupiter Inlet Colony recommends that it would be more economically and ecologically responsible to pursue non-polluting sources of renewable energy such as solar and wind, that pose less risk to the coastal environment and economic health before using uncertain methods for seismic airgun blasting for offshore oil and gas deposits

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF JUPITER INLET COLONY, FLORIDA, THAT:

Section 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

Section 2. Offshore oil and gas drilling and exploration, including seismic airgun blasting, will put Florida's environment, beaches, marine resources and local economies at risk. Therefore, the Town Commission expresses its opposition to these activities and urges the federal government not to pursue such practices in the waters off of the Florida coast.

Section 3. This Resolution will become effective immediately upon passage.

PASSED AND ADOPTED this 13 day of January 2020.

TOWN OF JUPITER INLET COLONY, FLORIDA

Mayor-Daniel J. Comerford, III

Vice-Mayor Milton J. Block

Commissioner Michael A. Armato

Commissioner Saeed A. Khan

Absent

Commissioner Richard D. Busto
