SEAFOOD SLEUTH DATA SHEET

Take this sheet with you to record information about the seafood you buy

Leave an item blank if it is unknown or unavailable.

Each bag contains two identically numbered vials. Enter that 4-digit vial number below for your seafood sample. Use the back of this sheet for a second seafood sample (if you have one). If you have any questions, please go to SeafoodSleuths.org for more information and answers to frequently asked questions.

4-digit vial code:					
Your name:					
Phone: E-mail address:					
Fish name from label/menu:		Identified from: package receipt other: (circle all that apply) menu waiter
