 QUESTION 48:
 Although shark finning is illegal in U.S. waters, the U.S. still imports shark fins from countries that do not have similar protections. Currently, 11 states ban the sale or trade of most shark fins. The bi-partisan Shark Fin Trade Elimination Act of 2016 would ban the sale or trade of shark fins throughout the United States. Would you favor or oppose this legislation?

 QUESTION 48:
 Although shark finning is illegal in U.S. waters, the U.S. still imports shark fins from countries that do not have similar protections. Currently, 11 states ban the sale or trade of most shark fins. The bi-partisan Shark Fin Trade Elimination Act of 2016 would ban the sale or trade of shark fins throughout the United States. Would you favor or oppose this legislation?
